## Solarflare Official Distributor Certificate

February 10, 2014

To whom It May Concern

This letter confirms that Storus Ltd., Moscow, with its headquartered office at 19, Michurinskiy Ave., Bld. 3, Moscow, Russia, 119192, is an Official Distributor of Solarflare and authorized to distribute the full range of Solarflare branded Products.

Storus has been trained by Solarflare and their professional local team and is capable in providing all pre-sales, sales, post sales services on Solarflares industry-leading application acceleration for the most demanding scale-out compute environments.

Thank you for your kind attention.

Sincerely,

A handwritten signature in black ink, appearing to read "Tim Dales". The signature is written in a cursive, flowing style.

Tim Dales

Director of WW Channel
